JOLLY JUNGLE

In the heart of Bexhill there lies a jungle.

A world of imagination & adventure for children. Dodge the dangling snakes and vines as you climb to the summit and escape down the tube slide from the roaring lion. Rush across the rope bridge to the safety of the wobbly mirror cave before rope swinging across the fallen logs to ride the aerial runaway. Then descend to

Mum or Dad for refreshments before the next adventure.

A visit to Jolly Jungle

will stimulate your children both physically and mentally, leaving Mum and Dad either to relax or enjoy being part of the adventure.

Come and enjoy
